News Roundup

Red Cross Call for Volunteers

The American Red Cross needs volunteers! These volunteers will help the Red Cross find the elderly, blind and disabled in Monterey County who may be eligible for extra income because of a Congressional act passed last year. If you can donate six hours a week, please call the Red Cross for further information.

o0o

Oscar Owen Lawson II, nephew of Councilman Oscar Lawson, graduated from the College of Fine Arts, Howard University in Washington, D.C. on May 5.

Howard University is the oldest Black University in the country, established in 1867.

Mr. Lawson majored in political and economics. He will continue his studies after graduation.

o0o

Although it is to late to register to vote in the primary elections to be held June 4, it is not late to register to be eligible to vote in the county, state and Congressional elections to be held Nov. 5.

Anyone who failed to vote in the November 1972 general election, who has changed his name or address, or wishes to change his party affiliation must notify the County Election Board if he wishes to be eligible to vote in Nov.

Voters may register at all Penisula city halls, Seaside, Pacific Grove or Carmel fire departments or the county clerk's office at 1200 Aguajito Rd., Monterey. In addition, there are designated registration locations at various businesses on the Peninsula.

It is strongly urged that all registered voetrs plan to turn out for the primary elections June 4 and that people register to vote now in preparation for the general elections in November.

Senior Citizens Month

The month of May has been proclaimed nationally as Senior Citizen' Month.

The American Association of Retired Persons of the Monterey Peninsula will observe this proclamation at its montly luncheon meeting on Tuesday, May 14th, at 12 noon, at the Monterey Elks Club, 150 Mar Vista Drive. The public is invited to attend. Luncheon is $2.75 and reservations can be made by telephoning 624-4077 by May 11th.

Congressman Burt Talcott will be the guest speaker. He will discuss the Federal program pertaining to senior citizens. According to Chapter President, R. Allen Mowery, this is an opportunity to have first-hand knowledge of the curret and future plans for legislation as it applies to all senior citizens.

The national association of retired persons (A.A.R.P.), with its six million members, has been called the fastest growing organization. Membership is increasing at the rate of 10,000 new members each week. The local Chapter has over 250 members.

o0o

Sheriff William A. "Jack" Davenport announced that the Monterey County Sheriff's Department has prepared, for distribution, a one-page Notice concerning garnishment procedures. This Notice informs employers of the new method of responding to a legal wage garnishment should any of their employees be involved and they in turn be served in this type civil litigation. The new procedures are necessary because of the federal minimun wage increase to two dollars ($2.00) an hour effective May 1, 1974.

Sheriff Davenport stated that his deputies will include the revised Notice with each wage garnishment they serve. In understandable language, the Notice tells how the amount to be withheld from the employee's pay in response to service of the garnishment process must noe be calculated, using a new sliding scale formula.

"Anyone interested in receiving a copy of the Notice is asked to call the Sheriff's Civil Disión, 424-0578 or 375-2691 and a copy will be sent to them," Davenport said.

o0o

The Monterey Peninsula chapter of the National Organization for Women will present a program on Job Discrimination Against Women on Monday, Monterey, at 7:30 p.m. Guest speaker for the evening will be Karin Kauffman, past coodinator of the Los Angeles NOW'S Job Discrimination Task Force. Bth women and men are invited to attend.

o0o

The May meeting of the Monterey County Welfare Commission will be held on Thursday, May 16, 1974, at 1:00 p.m. in the Health Department Auditorium, 1270 Natividad Road, Salinas, California.

o0o

The Monterey Bay Auxiliary of Lutheran Social Services of Northern California and Nevada is holding it's Spring Luncheon and Silent Auction at Messiah Lutheran Church, 801 High St., Santa Cruz at 10 a.m., Thursday, May 9th.

The guest speaker will be Rev. Paul Yates of Mt. Hermon. He will speak on the theme "Blight of a Christian Jew" Rev. Yates is himself a Christian Jew who was born in Poland but received some of his education in England. He was formerly a Lutheran minister in Poland, member of the British Army after the war.

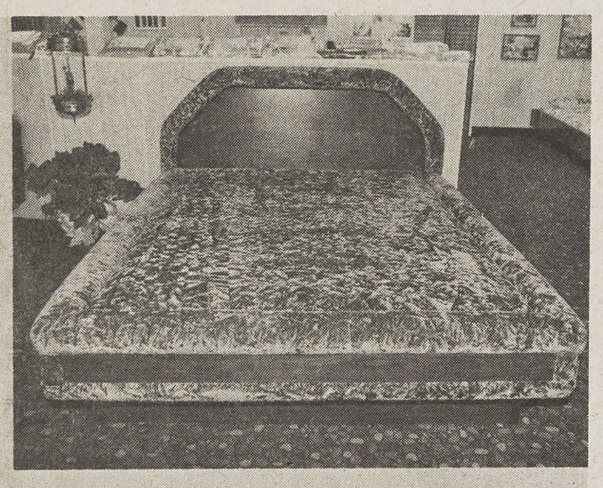
Everyone is welcome. Those planning to attend should bring a salad of their choice and a wrapped "White Elephant" for the Silent Auction. Nursery care available.

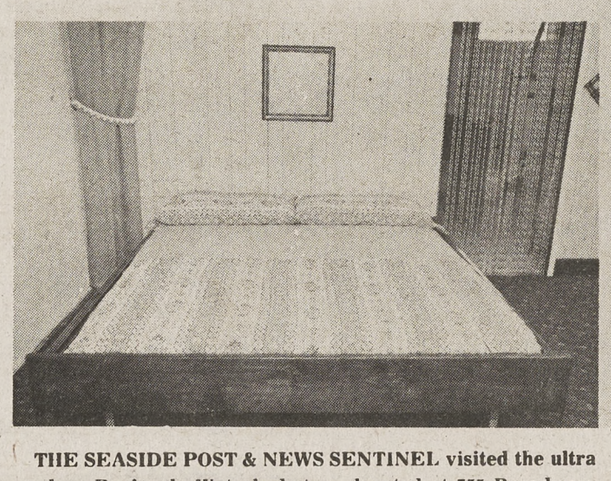
o0o

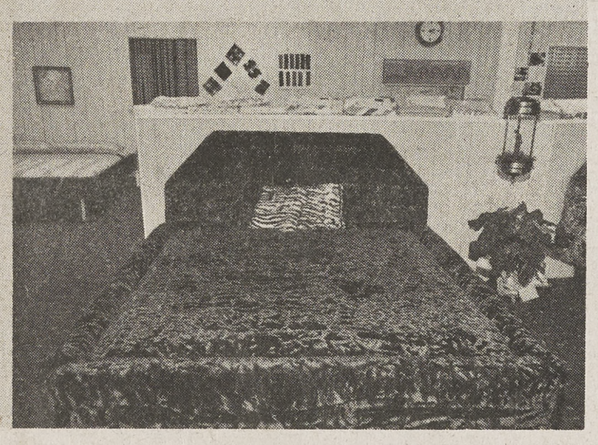
Pregnancy testing is now available at the Planned Parenthood clinic, 216 17th Street, Pacific Grove, CA.

The test is a two minute urine test., available to any woman who suspects she is pregnant. The cost is $3.00. The testing will be run on Tuesday and Thursday mornings between 8:00 and 9:00 am. For further information, call 373-1691.

BUSINESS OF THE WEEK







THE SEASIDE POST & NEWS SENTINEL visited the ultra modern Peninsula Waterbed store, located at 755 Broadway, Seaside, and found a variety of waterbeds to suit the fancy of the very fashionables. The thermostat heater beds displayed had matching headboards to queen and king. These ultra modern beds carry matching sheets, spreads and pillows. You have to see them to appreciate them. They are open from 10 AM. to 8 P.M. Mondays through Fridays and from 10 A.M. to 6 P.M. Sartuday. The beds come in may colors and there are 12 different styles to chhose frm.

Board Accepts State Decision On Teachers

Trustees of the Monterey Peninsula Unified School District have voted to accept the decision of a state hearing officer and rehire all of those teachers who faced possible layoff in June.

The board made its decision in a unanimous vote following a one hour closed meeting April 22. Board President Lonnie Ayers had been called out of town and was not present at the meeting.

Board members acknowledged that they could have chosen to reject the decision of State Hearing Officer George Coan, but they noted such an action would almost certainly have resulted in a long and expensive court battle, with some question as to whether or not the district could win the case.

They also said their decision was based on a sense of moral obligation to the teachers involved.

"We have to face the fact that a mistake was made in the handling of this matter," said Trustee G. Gervaise Davis III.

Davis was referring to Coan's finding that the district made errors in classifying 28 teachers hired to fill temporary vacancies. Coan said the errors, which were in the form of ambiguities in contracts of most of the 28, invalidated procedures used in the district's attempt to reduce the teaching staff by 56 positions. It means that a total of 84 positions could have to be absorbed, including not only the 56 who were notified but the 28 temporary teachers as well.

The district had gone through procedures to reduce the teaching staff because of an expected loss of nearly 1,000 students next year.

Supt. James Harrison said he is optimistic that the matter may be resolved with less financial impact than had originally been forecast. Initially, district officials had warned of a possible deficit of around $900,000 next year unless steps were taken to reduce the number of teachers. Harrison said it now appears that by next September about 33 teachers will have resigned or taken leaves, with their salaries amounting to over $500,000. He said he estimates that an additional 15 leaves and resignations will be approved during the 1974-75 school year, amounting to a savings of close to $120,000. This means, he said, that less than 40 teachers will actually have to be absorbed during the

Meals On Wheels Get More Funds

The California Office on Aging announced today the granting of $11,979 to continue operation of the Meals on Wheels program in Monterey Peninsula for the next six months. The program provides nutritious meals to approximately 140 elderly persons, 75 percent of whom live below established poverty levels.

The necessity for extension of the program was reaffirmed by health conditions among 80 percent of the participants. According to Dr. J.M. Stubblebine, Director of the Office on Aging, "most of these persons suffer from arthritic conditions or other physical ills and almost all lack any form of personal transportation. They are homebound and, without the program, would be virtually isolated from their community."

Durring the next six months, the project will be seeking financial support from Monterey County and various service clubs.

The Office on Aging funds were granted under jurisdiction of Title III of the federal Older Americans Act of 1965, as aminded.

King Jr. High Band Wins Top Parade Honors

The Martin Luther King Junior High School Marching Band, under the direction of Mrs. La Donne Sutter, won a gold first place trophy in the Marina parade held Sund. April 28.

The band consisting of 60 junior high students captured the coveted prize with their rendition of "God Bless America" by Irving Berlin. Leading the band were Drum Major Ted Cunningham, Jr. and Junior Drum Major James Rucker III.

Expert Predicts 15,000 More Jobs For Monterey County

An estimated 15,000 additional jobs will have become available in Monterey County in the period from 1972 through 1975, a state expert said recently.

This forecast was made by James M. Neto, chief of the northern California Employment Data and Research section of the California Employment Development Department, during a presentation to a large gathering of vocational educators and manpower planners at the Salinas City Hall.

Neto summarized the findings contained in a new 93-page report, "Salinas-Seaside-Monterey Manpower 1972-75". He said the document will be given wide distribution as the most comprehensive study of its kind ever done by EDD for this region.

According to Neto, the report was prepared "in response to a long-expressed need for information on future manpower requirements for occupations and industries." Both general projections on broad employment trends and specific occupational "outlooks" are included.

Neto indicated that well over one-half of the area's new job opportunities will result from the need to replace workers who retire or die and, that although the county's economy will experience moderate growth, the rate of employment increase will be somewhat slower than in previous years.

He said the trade and service industry divisions will account for nine out of every ten new jobs, in keeping with the national pattern toward a more service-oriented economy. Nondurable goods manufacturing, primarily food processing, is expected to record stong job gains.

Agriculture and construction will be the only job divisions to show job declines, he said. The loss in agriculture will reflect continuing mechanization and the conversion to crops whihc require less labor. Lower construction job levels will mirror the effect of high enterest rates and the increased cost of housing.

Park Bond Is On June Ballot

Monterey County will receive $1,104,776 to acquire land and develop park and recreation facilities within the county if voters approve the 1974 Park Bond Act at the June 4 election.

The allocation is based on the Department of Finance's 1980 projected population of 229,000 for the county.

State Park Director William Penn Mott, Jr. noted that 10 years ago a similar Bond Act provided $40,000,000 to local government and that this money funded more than 300 park and recreation projects throughout the State.

"The new bond funds will go a long way toward helping state and local governments meet their responsibility of providing for the park and recreation needs of California's citizens," Mott said.

The Bond Act, entitled "State Beach, Park, Recreational and Historical Facilities Bond Act of 1974," will be Proposition 1 on the June 4 ballot.

The Act will provide $250,000,000 for acquisition and development of parks, recreation areas and historical resources and fish and wildlife conservation projects throughout California. Of this amount, $90,000,000 is earmarked for the State's 58 counties, with county allocations based on 1980 population projections. Counties with small population will receive a minimum of $200,000. The Board of Supervisors in each county is responsible for consulting with all cities and districts within the county which are authorized to provide park and recreation services and to develop a priority list for the county's allocation of funds.

The remainder of the funds are earmarked as follows: $150,000,000 to the State Department of Parks and Recreation ($90,000,000 for acquisition and $60,000,000 for development); and $10,000,000 for the Wildlife Conservation Board to acquire or develop property for fish and wildlife conservation.

Flagg Rejects Endorsements

Morgan Flagg has proposed a "no endorsement" policy for himself and other 16th district Democratic candidates for Congress. Speaking at the Democratic Women's luncheon meeting at the Sunset Center in Carmel, Flagg, a Monterey Peninsula businessman seeking the Democratic nomination in the June 4 primary, said, "The goal of the primary election should be to select the Democratic candidate who is best able to defeat Congressman Talcott in the general election. Those of us running should not allow ourselves to get caught up in seeking endorsements by groups, organizations, newspapers or individuals."

Flagg continued, "There is another factor here which I think is terribly important especially in this year of Watergate. The people of this district don't want to be told how to vote by any individual or any group. We have long passed the time of political groups' influence on the voters. The people of the 16th district are independent, want to think independently and, frankly, resent pressures from within or from without the district. I am, therefore, calling on my fellow candidates to avoid the endorsement was and to present a unified front aimed at winning this seat for the Democratic party in November."

Board Of Education Supports Mexican-American Week

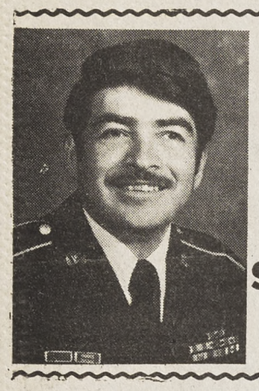
The Monterey County Board of Education at its regular meeting on May 1 gave its support to the California State Legislature's resolution designating the week of May 5-11 as Mexican-American Week. The Board in i5s resolution cited the unique cultural and economic contributions of Mexican-American to the American way of life and the special heritage of resistance to foreign oppression shared by the people of Mexico and the United States.

County Superintendent Ray Charlson reported to the Board that the County Office of Education has notified all school districts in the County of its ample and varied supply of books, publications and films available for use by schools on the subject of Mexican-Americans and their Mother country.

"The Mexican-Americans comprise our most numerous ethnic minority group in Monterey County schools, and we all desire to acknowledge and show appreciation for the many wonderful values such as close family ties, and love of country which so typify our Mexican-Americans," Dr. Charlson declared.

FACES AROUND THE BAY

MEET JAMES & JEAN Huff, owners of Peninsula Waterbeds, 775 Broadway, Seaside, the Monterey Penisula's most ultra waterbed shop. The Huffs came to the Penisula from Dublin, CA, in February 1974 and purchased the business. They feature some 12 different styles of beds with matching frames and pedestals. The Huffs invite you to come by and see the very latest in waterbeds. They suggest you try them and you will like them.



Today's Army NEWS By SFC Jose Garcia ARMY RECRUITER

CAREER FACTS..... MAINTENANCE ELCTRICIANS

More than a quarter of a million men were employed as maintenance electricians in the United States last year. According to the department of Labor, that figure will double by 1980.

More than half the craftsmen employed are engafed in servicing equipment and machinery in manufacturing plants. In non-manufacturing areas, most maintenance electricians are employed in transportation, communications, public utilities, general services and minig. Ghe federal, state and local governments also employ many trained technicians.

Onlu the very best maintenance electricians are sought after by industry. Gaining experience experience is costly and time consuming. Most maintenance electricians must learn their skills during very long apprenticeship programs or during longer periods of time through on-the-job training.

One alternative to learning the skill on the job is TODAS'S ARMY. The Army has many related jobs that offer young men the kind of experience and training they need to make a dent in the electrical service market.

In industry, apprenticeship programs for electricians usually last four years. In TIDAYS'S ARMY a young man can acquire much of the required training in three years or less. In addition to providing a free education, TODAY'S ARMY offers a starting salary of $326.00 per month, room and board, complete medical and dental care with 30 days paid vacation per year. In TODAY'S ARMY, a young man also gets on-the-job training and related technical classroom instruction in such subjects as mathematics, electrical and electronic theory and blueprint reading. Training may include motor repair, wire splicing, wring, installation and repair of electronic controls and circuits.

It's a wide open field, and TODAY'S ARMY is ready, willing and able to offer you a place in it. So if you are a high school graduate and feel that the Maintenance Electrician Field is for you give us a call at 372-4742 or stop by 431 Webster St. in Monterey.

This week I would like to welcome our latest additions to TODAY'S ARMY family. They are: from Seaside, Victorio Paraon, Michael Edwards and Pascasio Rivera. Marina was represented by Richard Baker and Fort Ord by Heton Moore, Maurice Nobles and Eduardo Diaz. Congratulations to all of them and I know our readers join me in wishing them well in their chosen carrer.

That's it for now.....

House Tour Is Today

The Monterey Peninsula Volunteer Services will present its 21st annual House and Garden Tour of five gardens in Carmel and five gardens in Pebble Beach today. The tour will be from 10 a.m. to 4 p.m. with refreshments served from 2 p.m. to 5 p.m. Tour tickets are $5 and available at all Pebble Beach Gates the day of the Tour. The Seventeen-Mile Drive gate fee will be waived for tickets holders.

The Monterey Peninsula through its fund-raising projects to benefit other non-profit organizations in need of financial assistance. This year the Visiting Nurse Association will receive the proceeds of the tour.

Mrs. Howard Healy of Pebble Beach is general chairman of the tour assisted by Mrs. Edward Ellies also of Pebble Beach.

Besides the ten gardens scheduled, the interiors of three homes will also be shown.

Talcott Talks To Secretary Of Army

Secretary of the Army, Howard (Bo) Callaway, in conference with Congressman Burt L. Talcott, today predicted growth for Fort Ord.

Congressman Talcott reported that, "Secretary Callaway reitereted the Army plns to station an Active Brigade at Fort Ord. The ranks of this Brigade shoul be augmented with young men and women who are attracted by the Army's new contract-recruiting method and desirability of 'one-station individual training'.

"I was also assured by Secretary Callaway that my efforts to improve and expand the educational opportunities offered by the Army are proving successful. Today's Army offers the best and most comprehensive educational training in its history."

Secretary Callaway, a former Regent of the University of Georgia, commended the Defense Language Institute as an agency for training service personnel for peace-keeping purposes.

Seasiders Ride Historic Train

Long-time residents of Seaside, Mr. & Mrs. Pierce Johnson of 1374 Boles Court, recently enjoyed a vacation visit to California which included a magnificent ride through virgin redwood forests on the West's oldest steam railroad, the Roaring Camp & Big Trees Narrow-Guage Railroad at Felton near San Francisco.

As the Roaring Camp passenger train chugged up the slopes of Bear Mountain on the steepest railroad grade in North America, the Johnson family passed through the first redwood groves to be preserved for posterity and crossed spectaculat trestles spanning the redwood forested canyons.

Mr. & Mrs. Johnson visited Roaring Camp as part of a three-day California vacation tour operated by California Parlor Car Tours between Los Angeles and San Francisco. En route, they also visited the early California mission at Santa Barbara, the Danish town of Solvang, spectacular Hearst Castle at San Simeon and the quaint coastal communities of Carmel and Monterey.

8 WAYS TO TRIM KILOWATTS OUT OF YOUR COOKING.

You use more energy in your kitchen than in any other room. Economize with these suggestions:

1. Make sure your oven and surface units or burners are shut off when not in use.
2. Keep oven doors completely closed until food is cooked. Every time you open the door, the oven temperature drops from 25° to 50°. (Oven door windows aid the "peek-a-boo" cook.)
3. Use cooking utensils with flat bottoms and tight fitting covers whenever possible. Be sure pots and pans are the right size for range units or burners.
4. Prepare a complete meal when using the oven—main course, vegetables and dessert. Use foods that cook well at similar temperatures. (Exception: delicate green or leafy vegetables.)
5. Bake and broil from a cold oven start. There's no need to preheat an oven.
6. Thaw frozen meats in refrigerator before cooking. Cook as soon as possible after thawing, and do not re-freeze unless meat has been cooked. A defrosted roast requires approximately 33% less cooking time than a frozen one.
7. Turn off electric surface units a short time before food is done. Food will continue cooking on heat stored in the coils.
8. Never use range or oven to heat the kitchen. That's not its function, and it is costly as well as a waste of energy.

All PG&E electric customers—no matter where they live—get much of their electricity from power plants fueled by scarce oil and natural gas. So it's important for *everyone* to help save energy wherever possible.

Continued from page 1

year at a cost of something over $250,000.

Harrison also noted that the personnel situation at Fort Ord is currently in flux, and said there is the possibility that enrollment of military dependents could start to increase. Such an increase would lessen the financial impact of the decision to rehire all teachers, Harrison said.

Trustees directed Harrison to take steps to tighten up employment practices in order to avoid the recurrence of similar situations in future years. They also told him to return in the near future with specific plans for the use of any excess teachers that might be available next year as a result of their ruling.

Davis pointed out that the district's error, while costly, could take a positive turn if good use is made of any "excess" teachers. He said these teachers can be used to lower class sizes, write curriculum and improve the educational program in general.

Trustee Rev. Thomas Knauf suggested that more attention be paid to improving secondary reading programs.

Before the board went into its executive session, it heard statements from Charles Lovett, president of the American Federation of Teachers local, and a parent, Lynn Chalupsky.

Lovett urged the board to accept the hearing officer's decision and retain what he termed "a group of young, energetic teachers" who are among the best available, having been hired from one of the largest pools of applicants ever.

Mrs. Chalupsky urged the board to retain all its teachers to reduce class sizes and adult-student rations in Early Childhood Education schools.

3 MPC Students Earn Scholarships

Scholarship awards amounting to nearly $5,600 have been granted to three students from Monterey Penisula College who are planning to transfer to four-year learning institutions.

Alfreda Johnson and Walter Stroman II, both of Seaside, are the recipients of two $2,400 scholarships from the College Entrance Examination Board in New York and Jeff Gershoff, of Monterey, has received an $800 scholarship from the University of California Scholarship for California Community College Transfers Program.

The scholarship cover partial expenses and are available to students who can demostrate financicial need to continue their education at a four-year institution. They are granted for one year and may be renewed to students making satisfactory progress.

Ms. Johnson, daugher of Mrs. Virginia R. Jackson, of Seaside, plans to transfer to Sonoma State College. She has served as the director of the Human Educational Development Program and is majoring in psychology and counseling.

Stroman, son of Mrs. Evelyn M. Stroman of Wayne, Pennsylvania, plans to transfer to the University of California at Santa Cruz. He also has served as an HEDP tutor. Stroman is majoring in adminstration of justice.

Banquet Honors Scholars

One hundred and thirty Monterey High School students will be honored for academic excellence at a banquet to be held May 14 at 6:30 p.m. in the school's cafeteria, the counseling office has announced.

The banquet will be sponsored by the Monterey, Monterey Peninsula and Del Monte Kiwanis clubs.

Counselor Judy Carducci said the 130 students were chosen on the basis of their grade point averages.

Among the 130, seven sophomores will receive special honors for having earned perfect 4 point averages during the first semester of their sophomore year, she said. They are Michele Haltiner, Christy Hamilton, Zita Lazzarini, Jeffrey Norton, Guy Satow, Sheila Tonkin and Zendra Ziegler. Top juniors are Michael Larish and Jerry Lew. Seniors receiving top honors are Lawrence Duke and Jonathan Shaw.

Fort Lewis--A Good Bet For Your Future

BY JANET ZITNICK
SEASIDE POST & NEWS SENTINEL STAFF WRITER

What opportunities are available to young men and women of high school age, how can they plan their future to accomplish their goals, find fulfillment and, in short, get the most out of life? And what of those students who have no clear idea of their future, are confused about their role and just plain don't know what to say when someone says, What are you going to be when you grow up? For both groups of young people, those who know where they want to go and those who don't, the army may have what they are seeking.

Recently, this reporter, along with 21 high school counselors and educators, was given the opportunity to tour and observe a unique army installation, Fort Lewis, in Washington State.

Fort Lewis is unique in that it offers a young person a variety of opportunities to pursue or find a meaningful career.

ENTERING THE SERVICE

As most young people from the Monterey area realize, after enlisting in the army, they go through a 6½ week basic training program at Fort Ord. After successful completion of basic training, the new soldier is assigned to other army post for advanced training. Under the new "Unit of Choice" recruiting program, a prospective soldier may specify where he would like to be sent after basic training. The opportunities available to soldiers who elect to go to the 9th Division at Fort Lewis are plentiful.

OLD RELIABLE "UNIVERSITY"

The "University" in OR"U" is distinguished by quote marks because it is not really a university. It is a whole concept of educational opportunities and institutions which are available to the Fort Lewis soldier. The prospectus given to soldiers which are available to considering OR"U" says, "Through the 'University' a student may enroll in a number of comprehensive programs at the high school and vocational-technical levels. In addition, OR"U" offers graduate and undergraduate level courses from thirteen colleges, community colleges and universities. Whether you need to finish high school, or work towads a masters degree, OR"U" has it." The prospectus goes on to describe how the system is organized: "Students are afforded the opportunity to attend five-week terms, four times each year, during working' hours. Each individual will find his company scheduled for four of these five-week terms during the year. Classes are also held in the evenings and during noon hours. The courses are available to all soldiers, and each individual is actively encouraged to attend. During the on-dury sessions, a student can complete the equivalent of two semesters of college credits within one year, or one-fourth of an apprenticeship program. Students are required to have sufficient time at their units for study and classroom preparation, and are excused from those military duties which would interrupt satisfactory class attendance."

DROP-OUTS BENEFIT

High school drop-outs are encouraged to continue their education while assigned at Fort Lewis, a guaranteed tour of 16 months.

Classes are available in five levels of difficulty. Students are placed at their ability level based upon reading, languaje and math achievement tests or upon a STEP test in the subject area in which the student is seeking enrollment.

Levels 2 and 3 consist of classes that serve both for high school credit toward an actual high school diploma and as study for the General Educational Development High School Equivalency Exam (GED).

Levels 4 and 5 serve for high school credits toward an actual diploma and as study for Pre-Technical School or as Pre-College Review.

There is no cost to the student as the Veterans Administration pays the full cost without deduction from VA educational entitlement.

For a high school graduate, a variety of opportunities are available. He may elect to go into vocational-technical training. Here he may learn such skills as automotive mechanics, motorcycle and small engine repair, carpentry, electrical skills or welding.

A soldier may prefer to attain an Associate (two-year) Degree, a Baccalaureate Degree and in some cases may even go on to attain a Master's Degree.

Fort Lewis emphasizes its unique educational program of the soldier's opportunity of attending five-week terms, four times a year, on duty hours for half days. Instead of trying to complete his eduaction at nigh after a hard duty day, the soldier attends classes during duty hours.

ADVENTURE TRAINING

Besides the educational opportunities offered at Old Reliable "University" Fort Lewis has a stimulating training called "Adventure Training."

During Advanced Infantry Training (AIT) men have the opportunity to accomplish their training in many ways. Fort Lewis is the Center of rugged country and soliers can swim, slope ski and cross country ski, rappel off cliffs, participate in white water canoeing, rafting, and a variety of other activities civilians call "sports" but Fort Lewis training commanders call "training."

Of course the soldier will be equally well-schooled in such areas as weapons use, tactics and maneuvers, and all around soldiering.

For the off-duty soldier, Fort Lewis has a variety of ways to keep him busy. The four recreational centers are always popular spots where he can play everything from shuffleboard to pool, can watch TV or play guitars, or maybe watch a special variety show. 19,000 soldiers per month make use of the recreation centers.

ROTC

For high school graduates on attending college, the ROTC program is well worth investigating. Students with outstanding scholastic and extracurricular record may qualify for an ROTC scholarship. This is a course the high school student should discuss with his counselor.

ATTRACTIONS TO MINORITIES

All these educational and training advantages are open to everyone regardless of race, creed or sex. The high school completion or advanced degree study combined with the career training and adventages of army pay and travel is making the army a particularly good future investment for all people of initiative.

PIANO CLASSES TO BEGIN

Announcing beginning piano and-or accordian lessons will be offered beginning as of now. Each lesson is for one hour with a maximum of 5 students per class. The classes will last for 12 weeks. The address is 670 Sonoma. The time is 3:30 Fri. for children up to Junior High, 4:30 for Junior and High School Students and 7:00 for adults. The fee is $36.00. Call 394-8998.

6 WAYS TO USE LESS ENERGY HEATING YOUR HOME.

You can save fuel and help keep your home heating costs down by following these tips:

1. Set your furnace thermostat to a temperature of 68° or lower. Turn it down when you leave home or retire at night.
2. Examine and clean the heating system thoroughly each fall. Clean or replace dirty filters that make the furnace work harder to heat your home.
3. Keep all exterior doors—as well as those to garage, attic and basement—tightly closed. Lost heat is a waste of energy and money.
4. Proper home insulation and weatherstripping can cut heating costs up to 45%. Older homes often need new or additional insulation for adequate protection.
5. Open drapes on sunny days. Let the sun warm you naturally. Close drapes over large glass areas at other times; this can stop up to 16% of heat loss through windows.
6. Close damper when the fireplace is not in use so that the house heat can't escape up the flue.

These are just a few of the many ways you can conserve energy.

Academy Of Arts And Humanities To Open Here In September

The Academy of Arts and Humanities, a university with a unique approach to higher education, will begin its first regular term here in September. Located at 1137 Broadway in Seaside, the school for the past eight years has been the Academy, adopting the classic concept of apprenticeship in arts and humanities.

The Academy is comprised of six schools, each under the direction of an educator who is a recognized authority in his field. Under the College of Arts is the School of Fine Arts, the School of Music, and the School of Performing Arts. Under the College of Humanities is the School of Ancient Languages, the School of Humanities and the School of Languages adn Linguistics. The curricula are supplemented in diverse areas such as Black Studies, Jazz and Semitic Studies.

Seaside is an ideal location for an institution of this type, according to Axel Duwe, President of the Academy and Director of the School of Music, for several reasons: The Monterey Peninsula is a popular retirement area for creative people who can teach students on a part time basis, there is no liberal arts institution offering BA or MA degrees nearby, and it is economically feasible to operate a school in this area.

The Academy is not supported by government or foundation grants or loans, only by tuition. The school will operate as a profit making institution and on a business-like basis.

LEADERS—The Academy of Arts and Humanities' directors from left to right: Dr. Kenneth B. Lee, Director of the School of Asian Studies; Dr. Lewis Keizer, Director of the School of Humanities; Axel Duwe, Director of the School of Music; Dr. Paul Madarasz, Director of the School of Languages and Linguistics. Not pictures: Dr. Lewis Heniford, Director of the School of Perfoming Arts, and Garner Tullis, Director of the School of Fine Arts.

Currently there are 22 students enrolled and a class graduated last year. The Academy has the funds and equipment to start classes in all six schools this fall. Projected growth in enrollment will not exceed 250 students.

According to the Cataloque, available at the Academy and at school and public libraries, "Most academic courses will be taught at the Academy's main location in Seaside. Certain curricula in the performing arts, fine arts and music will be taught in local professional studios."

Afeter completion of the core curricula, the student specilizes in his chosen field, oftentimes becoming an apprentice to an authority in the student's field, such as an art student working with an artist as his apprentice and in his studio.

Each student will have a "mentor" who is a member of the faculty and who will follow the student's growth through his school career and after graduation. As Dr. Lewis Keizer, Director of the School of Humanities said, "We are looking for highly mtivated people who will strive to reach high standards."

The Academy of Arts and Humanities has qualified with the California State Superintendent of Education as a degree-granting institution. Further accreditation by appropriate regional and national associations is pending.

MPUSD Art Festival Now Underway

The Monterey Peninsula Unified School District will hold its 10th annual student art festival through May 9 at the new Instructional Materials Center building at 540 Canyon Del Rey, in Del Rey Oaks.

Marguerite Haughton, festival coordinator, said the three-day event will feature student art and craft work from all grade levels and from schools throughout the district. "Art in action" demonstrations will be featured each evening from 7 to 8 p.m., she said.

The festival is free, and open to the public. It will run from 3:30 to 9 p.m. each day. The new 24,000 square foot Instructional Materials Center building is located next to the district's warehouse, approximately across the street from the Moose Hall on Canyon Del Rey between Fremont and Highway 68. The building is not totally furnished and is still only partially occupied by the district.

Exhibits of student art and craft will remain up through May 9. Specific art in action demonstrations are scheduled as follows:

Wednesday (May 8) from 7 to 8 p.m. — Del Monte School, paper cutting; Monterey High School, weaving; Los Arboles Junior High School, candle making, califgraphy, embroidery, clay, silk screen linoleum blocks; Colton Junior High School, acrylic painting and Stilwell School, puppet show and Chinese finger painting.

Thursday (May 9) from 7 to 8 p.m. — Fremont Junior High School, decoupage Paris sculpture, papier-mache masks; Cabrillo School, India ink and water color; King Junior High School, macrame; Ord Terrace School, puppet construction and Seaside High School, student made films.

Walks Off With Prizes

Mrs. Pearl Carey, Seaside, President of the Monterey Peninsula Business and Professional Women's Club recently entered the Individual Developments Course, a self-improvement course given throughout the Penisula District of BPWC for members of this area. Mrs. Carey won first prize in the speaking competition. At the District Competition "Speak Off," held in San Francisco at the Town House on April 27, she again won first place over speakers of the entire district.

The BPWC Peninsula District takes in the area from San Francisco to King City on the coast, and includes Santa Clara County and parts of San Benito County.

May 11 and 12, Mrs. Carey will take part in the State "Speak Off."

Fort Ord Bus Service Postponed

Bus service through Fort Ord did not begin on May 4 as previously announced. However, service between Seaside and Marina did begin on that date. The change was announced by Hugh Bayless, Chirman of the Joint Powers Agency transit system.

The line will begin at Fremont and Broadway in Seaside, traveling via Fremont, Highway One, stopping at the 12th Street Gate on-ramp, north again on Highway One, east on Reservation Road, south on California, east on Carmel, south on Bostick, west on Reindollar, north on Vaughan, west on Carmel, north on Seacrest, and west on Reservation Road to Highway One.

The return trip to Seaside will head south on Highway One, stop at the 12th Street Gate on-ramp, south again on Highway One, and along Fremont to the end of the line at Broadway.

The first trip in the morning will leave Seaside at 6:15 AM Monday-Friday, 7:15 AM Saturdays, and 9:15 AM Sundays. Service will operate hourly, with the last trip leaving Marina at 5:45 PM daily.

Bayless, who also serves as City Administrator of Carmel, stated that the JPA's regular 35 cents fare would apply, with free transfers to all other JPA routes. Passengers buying th new 40-ride tickets for $10.00 would cut their fare to only 25 cents a ride.

The new line is the result of requests from numerous citizens in the area and the Marina Chamber of Commerce. The Agency O hopes to receive Army permission for service into Fort Ord in the near future.

Obituaries

ASAH MAY DRAPER

Asah May Draper of Ford Ord, April 27, 1974. Beloved daughter of Staff Sargent and Mrs. Earl Draper of Ford Ord.

A native of Ford Ord, age 6 months.

a BOOK that can CHANGE your whole life

Is GOD real to you?
Can you trust HIM?
Is HE near to you?

The Bible tells us we can turn to God for help, for health, for protection. Yet some think these Bible promises are empty. They don't have to be. Today there is a book that is helping many people tune in to the truth of God's nearness, His power and fatherliness. That book is

Science and Health with Key to the Scriptures.

At a low point of poverty, hopeless illness and loneliness, its author, Mary Baker Eddy, saw that God can be trusted and loved. She found that God heals the sick when we love and understand Him. A deep student of the Bible, she discovered a Science based on living the Christianity Jesus taught. She won her freedom from poverty and disease and from her loneliness. Then she wrote down what she learned for the whole world.

By reading and studying this powerful book along with the Bible, men and women throughout the world have found that God can and will help them. These people have solved housing problems, gained opportunities for better education. They've won freedom from poverty, overcome racism. They've discovered what it really means to be the children of God.

You can borrow a copy of *Science and Health with Key to the Scriptures* from the free lending library at any Christian Science Reading Room, or you can purchase it in paperback.

SPECIAL FREE OFFER

If you'll take this ad to one of these Reading Rooms, you can have your own copy of *Science and Health* to read for thirty days. If at the end of that time you want to keep it, you just pay the nominal purchase price of $1.95.

Or you can return it to the Reading Room with absolutely no obligation.

NOTICE OF TRUSTEE'S SALE
Loan No. 112929-3

On Thursday, the 9th day of May, 1974, at ten o'clock a.m., in the lobby of the office of Coast Counties Land Title Company, 439 Tyler Street, in the City of Monterey, County of Monterey, State of California, THE FIRST MONTEREY COMPANY, a California corporation, as Trustee, will sell at public auction to the highest bidder for cash, in lawful money of the United States, the following described real property situate in the County of Monterey, State of California, and bounded and described as follows, to-wit:

Lots 37 and 39, in Block 2, as show on Map No. 4 Del Monte Heights, filed April 5, 1909, in the office of the County Recorder of the County of Monterey, State of California, in Map Book Two, Cities and Towns, at page 13.

Said sale will be made without covenant or warranty regarding title, possession or encumbrances, to satisfy the obligations secured by, and pursuant to the power of sale conferred in a certain Deed of Trust, executed by WILLIE L. EDWARDS and LILLIAN J. EDWARDS, his wife, as Trustors, to THE FIRST MONTEREY COMPANY, a California corporation, as Trustee, for the benefit and security of MONTEREY SAVINGS AND LOAN ASSOCIATION, a California corporation, dated June 30, 1967, and recorded July 10, 1967, in Reel 512, at Page 1087, Series 50442.

Notice of Default of said obligation and election to sell said real property was recorded in the office of the County Recorder of said Monterey County on the 7th day of January, 1974, in Reel 889, at Page 203, of Official Records of Monterey County, California, Series 00466. Nothing has been paid on account of the principal or interest on said loan subsequent to the filing of said Notice of Default.

This notice is given in compliance with the written application heretofore made on the Trustee by the said Beneficiary.

The owner and holder of the promissory note and the indebtedness secured by said Deed of Trust, or any other person may purchase at said sale.

DATED: April 9, 1974
THE FIRST MONTEREY COMPANY, a California corporation
By: **MARY H. MITHCELL, Vice President**
By: **THOMAS N. HOOPER, Secretary-Tres.**

Congressman Sees Camacho Victory

"Burt Talcott is well-kown as being the Emily Post of Congress," said Congressman George Brown last night at a fund-raising dinner for Democratic congressional candidate Julian Camacho.

Speaking before a capacity crowd at Manuel's Restaurant in Aptos, the Southern California concluded that "we will have an overwhelming majority in the next Congress. Julian Camacho deserves to be and will be a member of that overwhelming majority."

Brown said that "it is a crime, franky, that the most beautiful district in California should be represented by a man who has the worst voting record on environment of almost any member of Congress."

"Talcott is not inconsistent in his record", quipped Brown. "Nor only is he bad on environmental issues, he's bad on every other kind of issue... Idon't think this district is being helped of by having that kind of representation."

A co-sponsor of two resolutions calling for Nixon's impeachment, Brown said that "Today there is no question but that a majority of the American people feel that Richard Nixon should be removed from office. Those of us who know Richar Nixon know that he is at heart and at the root of the entire thing."

Brown, who narrowly lost the Democratic nomination for U.S. Senate to John Tunney in 1970, spoke of the need for a new vision of America where "People don't treat each other like cogs in a machine." Said Brown, "We need leaders like Julian Camacho to lead us into that kind of world."

Camacho has frequently stated his desire to serve on the Agriculture Committee in Conress. During an afternoon interview on Monday, Brown, a member of that committee, emntioned that there will be a vacancy for a California Democratac congressman on the Agriculture Committee next year. He stated that he will try to have Camacho appointed to that committeee "because of its importance to the people of this congressional district. Ithink that there is a very good chance that he can be appointed to it."

Asked why he had come into the district to campaign for Camacho, Brown replied, "Julian and I are old friends. I have a very high regard for Julian's competence and ability and I want to help him in any way Ican... No matter how zjulian Votes, he'll be ten times better than the incumbent."

High School Jazz Band Competition June 8

The California High School Jazz Band Competition is scheduled to be held Saturday, June 8, at Monterey Peninsula College. Ten high school bands and a number of jazz ensembles will compete.

The winning high school band and jazz ensemble will be invited to perform at the Seventeenth Annual Monterey Jazz Festival set for September 20, 21, 22. They will open the Sunday afternoon Festival concert in a special appearance at 12:30 PM

Additionally, a special all-star band will be chosen from the state's top high school jazz instrumentalists. This all-star band will also be invited to perform at this year's Jazz Festival. It will appear as part of the regularly scheduled Sunday afternoon concert along with well-known, professional jazz artists.

The winning high school band will receive a $500 cash award. The winning jazz ensemble will receive $250.

The deadline for audition tapes and applications forms is May 10, 1974. For further information contact: Don Schamber, High School Festival Chairman, Monterey Jazz Festival, PO Box JAZZ, Monterey, CA 93940.

Small Cars To Race May 12 At Laguna Seca

One of the outshoots of the energy cruch has come the growing popularity in America of the compact and sub-compact cars. On May 12 at Laguna Seca Raceway in Monterey, race fans will be able to see what these small sedans can do when pitted against one another in a grueling road race in the Goodrich Radial Challenge.

At Laguna, this popular East Coast series will be making its first West Coast appearance. The Goodrich Radial Challenge along with the Camel GT Challenge and the Volkswagen Super Vee Gold Cup will go together ro make up the Monterey Triple Crown Weekend.

As its name implies this race will be run on street radial tires only. Cars that compete are prepared within certain limits, are relatively inexpensive and use standard carburation. Yet, they are true race cars capable of speeds in excess of 140 mph.

At Laguna Seca, it will be a case of "us" against "them" as American Mavericks, Pintos, Gremlins, Vegas and Hornets compete against foreign challengers such as Opels, Datsun, Colts, Toyotas and Audis.

The Monterey Triple Crown opens Saturday, May 11 with three qualifying races. Sunday's action will see two rounds of the Camel GT Challenge of 5o laps each, the 50-lap Goodrich Radial Challenge and the 25-lap Volkswagen Super Vee Gold Cup. Total purse money for the weekend is $55,000.

Tickets are on sale at Ticketron, Macys and Sears outlets as well as various import car dealerships and parts stores.

Career Fair Is At MPC

The annual threeday-"Career Fair" to provide students with jobs and information helpful in making career decisions will begin in the Monterey Peninsula College Center on Monday, May 13 from 9:30 to 1:30 p.m. and continue through May 15.

Counselors will be available to help students find career areas which will best suit their interests, through tests and personal career guidance. Short workshops will be offered, covering such areas as resume writing, interviewing, and employe rights.

Representatives from the Musicians' Union, McGraw Hill, San Jose Police Department, the Labor Commission, Civil Service, the State Department of Parks & Recreation, the Monterey County Health Department, the Health Education Services Council, and the Harris Management Company and others will be present to answer questions and possibly fulfill job requests.

Students who are seeking employment or who wish to find out more about the many different career fields which are available, are invited to attend. For further information, contact the MPC Placement & Activities Office at 375-9821, ests. 324 or 333.

Letter To The Editor

Editor:

Congratulations on your move to the new headquarters. I shall hope to visit you there when I return from a conference in Southern California.

And many thanks for so generously covering the YWCA events and programs, which we earnestly mean to serve people throughout the Penisula.

With Jan Zitnick's kind efforts, I am again receiving my papers. For many weeks, I seemed to have been among the lost name-plates.

Every Good wish.
Cordially yours,
Iona Logie Carmel

Legal Notice

ORDINANCE NO. 442

AN ORDINANCE ADDING CHAPTER 2 (COMMENCING WITH SECTION 1-401) TO THE SEASIDE MUNICIPAL CODE, ESTABLISHING THE PROCEDURE FOR APPOINTMENT, DISCHARGE AND PAYMENT OF EMPLOYEES, REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HEREWITH

THE COUNCIL OF THE CITY OF SEASIDE DOES ORDAIN AS FOLLOWS:

SECTION 1. Chapter 2, (commencing with Section 1-401) of the Seaside Municipal Code is amended to read as follows:

"Chapter 2. Personnel

1-401. Short Title. This Ordinance shall be known as the "Personnel Ordinance".

1-402. Basic Salary Plan. The salary ranges and the classes of positions shall be adopted annually by Resolution in the same manner and at the same time as the Budget.

1-403. Classification of Positions.

(a) All offices and positions in the City service shall be classified on the basis of their duties and responsibilities.

(b) The classifications of positions for the purpose of this Ordinance shall be as contained in the report, "Class Specifications, City of Seaside", dated October, 1970, as amended. The class specifications shall be used and interpreted as defined in said report.

(c) The classification of positions may hereafter be amended by the addition, division, consolidation or abolishment of classes on recommendation of the City Manager and approval by the City Council. The City Manager shall keep a complete file showing all approved classes and the class specifications.

(d) All persons who are paid on a monthly basis, rather than at an hourly rate, shall be considered "regular or full-time employees", as said words or phrases are used in this Ordinance, notwithstanding the fact that their particular position may not require employment on a full forty-hour week basis. Said employees shall be entitled to vacation, sick-leave and all other benefits on a prorata basis of number of hours per week which the particular position requires. Persons employed on an hourly basis shall not accrue vacation, sick-leave and other benefits.

1-404. Allocation of Positions.

(a) Each position shall be allocated to the appropriate class on the basis of duties and responsibilities.

(b) The present allocation of positions may hereafter be changed on the recommendation of the Department Head and approval by the City Manager; provided the proposed change conforms with this Ordinance, with the established classification plan, and with the approved budget.

1-405. Qualification of Employees.

(a) Officers and employees holding positions upon the taking effect of this Ordinance are deemed to be qualified for the position to which they are allocated, subject to the right of the Department Head, the City Manager, or the City Council to dismiss any employee in accordance with this Ordinance.

(b) To the greatest extent possible, Officers or employees hereafter appointed, shall be required to possess the experience and training requirements as given in the class specifications.

1-406. Anniversary Date.

(a) The Anniversary Date for each employee is the date six (6) months after the date he is hired, reclassified or promoted, if assigned to the first step of the salary range; or the date he is hired if hired at any other step of the salary range.

(b) The Anniversary Date of any employee shall be adjusted, or changed, in the case of a leave of absence, except a military leave of absence under the provisions of the Military and Veterans' Code of the State of California, by moving said Anniversary Date forward a time equal to the length of such leave of absence. Whenever any employee is absent from work without pay for any period exceeding thirty (30) continuous days, the Anniversary Date of said employee shall be adjusted by moving said Anniversary Date forward a time equal to the length of absence from work.

(c) Any employee who has served for one (1) year or more and takes leave of absence for purposes of military service in excess of the time defined as "Temporary Military Leave", as defined by the Military and Veterans' Code, shall, upon return to employment with the City, have his Anniversary Date adjusted by moving said date forward a length of time equal to the number of days absent from employment due to military service, provided, however, said employee returns to work for the City within ninety (90) days of his discharge or release from military service.

(d) The Anniversary Date of any employee shall be adjusted by moving said date forward a time equal to any delay in movement through the steps of the salary range put forth in Section 7 (a) below.

1-407. Administration of Pay Plan.

(a) The five (5) steps of each salary range shall be interpreted and applied as follows:

1. The first step is the minimum rate and shall normally be the hiring rate for the class. In cases where it is difficult to secure qualified personnel, or if a person of unusual qualifications is engaged, the City Manager may hire at a higher step.
2. The second step is a rate at which a fully qualified, experienced and conscientious employee may expect to advance to following the completion of six (6) months' satisfactory service in the first step and upon written recommendation of the Department Head and approval by the City Manager.
3. The third step is the rate at which a fully qualified, experienced and conscientious employee may expect to advance to following the completion of twelve (12) months' satisfactory service in the second step and upon written recommendation of the Department Head and approval by the City Manager.
4. The fourth step is the rate at which a fully qualified, experienced and conscientious employee may expect to advance to following the completion of twelve (12) months' satisfactory service in the third step and upon written recommendation of the Department Head and approval by the City Manager.
5. The fifth step is the rate at which a fully qualified, experienced and conscientious employee may expect to advance to following the completion of twelve (12) months' satisfactory service in the fourth step and upon written recommendation of the Department Head and approval by the City Manager.

(b) Notwithstanding the foregoing provisions of this Section, an employee who is promoted or reclassified from one classification to a higher classification, or from a flat salary to a classification having a higher overlapping salary range, shall be adjusted:

1. To the step in his new range, which shall provide an increase in his salary, except that he shall not retain credit for the time served in his former step. If the step in the new range is the first step, the employee shall remain in that step for six (6) months before becoming eligible for advancement to the second step.
2. If from a flat salary to a range, to the lowest step in his new range, or classification that exceeds his flat salary.
3. General adjustments in salary ranges made by general increases or decreases shall be made by adjusting all classes upward or downward to the appropriate salary range herein provided. Where the salary range for a given class or for several classes is revised upward or downward, the employees' holding positions in classes affected shall have their existing salary adjusted to the same step in the new range.

(c) In any case where by reason of unusual circumstances, rigid adherence to the foregoing principles related to salary adjustments would cause a manifest injustice, the City Manager may make such order relating thereto as in his discretion is proper.

(d) Rates of compensation provided for by Resolution are fixed on the basis of full-time service in full-time positions for the schedule of hours indicated. If any position provided for in the budget is by appropriate language specified or indicated as being for less than full-time service, the rate of compensation provided for such positions shall be adjusted accordingly, except those employees or officers indicated in this Ordiance as working part-time or on a retainer, in which case they shall draw the full salary indicated. If the present schedule of hours is changed, appropriate adjustments shall be made in the rates. The step plan shall apply to part-time as well as full-time employees.

(e) Changes in pay rates shall be made on the first day of the pay period next following the date of eligibility and authorization.

1-408. Outside Occupations.

No employee of the City shall engage in any outside occupation or activity which is incompatible with his employment by the City. Such occupation or activity shall not be engaged in without prior approval by the City Manager, upon recommendation of the Department Head. Employees engaging in outside occupations without such authorization do so at their own risk, and may thereby jeopardize their City employment.

1-409. Probation.

Except as provided by City Council - adopted departmental rules and regulations, employees of the City shall serve probationery periods of six (6) months duration at the following times:

(a) Upon employment;

(b) Upon promotion to, or transfer to, a new position.

1-410. Leave of Absence Without Pay.

The City Manager may grant a leave of absence to any officer or employee appointed by him for a period not to exceed three (3) months, and may grant such a leave of absence in excess of three (3) months upon approval by the City Council. The Council may grant a leave of absence to any officer appointed by the Council. Military leave of absence shall be controlled by the provisions of the Military and Veterans' Code of the State of California. Persons on leave of absence shall not accumulate sick leave or vacation time, but may at his option remain in the health and life insurance program by paying all the premium from his own resources.

1-411. Longevity.

All service to the City, regardless of whether or not such service is consecutive, shall be considered for longevity purposes. In cases where employees serve forced military service, such time shall be counted for longevity purposes.

1-412. Vacations.

(a) All forty (40) hour per week officers and regular employees, except management employees, shall earn vacation as follows:

1. During the first, second, third and fourth years of employment, vacation will be earned at the rate of six and two-thirds (6 2/3) hrs/mo. (Ten (10) days/year).
2. During the fifth, sixth, seventh, eighth, ninth, tenth, eleventh, twelfth, thirteenth, and fourteenth years, vacation will be earned at the rate of ten (10) hrs/mo. (Fifteen (15) days/year).
3. During the fifteenth, sixteenth, seventeenth, eighteenth, and ninteenth years, vacation will be earned at the rate of twelve (12) hrs/mo. (Twenty-one (21) days/year).
4. During the twentieth (20) year and thereafter, vacation will be earned at the rate of fourteen (14) hrs/mo. (Twenty-one (21) days/year).

(b) Fire department employees assigned to shifts shall earn vacation in shift hours by multiplying the hourly rates set forth in (a) above by 1.8.

(c) Management employees shall earn forty (40) hrs/yr. vacation in addition to that set forth in (a) above.

(d) Vacations shall be at a time to be fixed by the employee's Department Head and shall be without loss of pay. Vacation shall not be used in increments of less than one (1) hour.

(e) Use of vacation time by an officer or employee shall be conditional upon the completion of six month's continuous service with the City, but if for any reason prior to the completion of six months' service with the City, such officer's or employee's employment is terminated, he shall be credited with and paid for vacation time.

(f) The City Manager shall fix such vacation periods for the chief officials and Department Heads of the City.

(g) Upon recommendation of the Department Head and City Manager, the City Council may grant vacation in advance of time accumulated providing an officer or employee has served at least six months and has accumulated the equivalent of at least one week's vacation; and in cases of officers and employees who have served the City for five years or more continously, may grant additional time which the employee would otherwise accumulate during the next year providing that said officer or employee has accumulated the equivalent of two weeks' vacation. When such vacation is granted in excess of accumulation, the officer or employee shall sign an agreement to repay the City for such advanced vacation in case of termination of employment, as hereinafter provided.

(h) For forty (40) hour week employees, if a Holiday falls within a scheduled vacation period, on a day that the officer or employee would normally work, that day shall not be counted a vacation day. For Fire Department employees assigned to shifts, a holiday which falls within a scheduled vacation period shall be counted a vacation day, but paid in accordance with Section 14 (d) below.

(i) Any officer or employee, upon termination of City employment for any reason, who is entitled to vacation time and who has not had the same, shall be paid at his current salary rate for such vacation time on the effective date of such termination. If such person works over one-half (1/2) of the month, he shall be entitled to accumulate vacation for that month.

For officers and employees working a five (5) day schedule, the method for computing hourly pay for accumulated vacation time shall be as follows:

$$\frac{\text{Monthly salary x twelve (12) months}}{\text{52 weeks x 40 hours}} = \text{hourly pay rate}$$

For officers and employees working shifts in the Fire Department, the method for computing hourly pay for accumulated vacation time shall be as follows:

$$\frac{\text{Monthly salary x twelve (12) months}}{\text{122 shifts x 24 hours}} = \text{Shift hourly pay rate}$$

(k) Vacation time may be accumulated to a total of fifteen (15) shifts for Fire Department personnel assigned to shifts, or thirty (30) working days for other employees upon written approval of the Head of the Department and the City Manager as determined on December 31 of each calendar year. It is the intent of this Ordinance to allow each employee to accumulate more than these amounts during the year and plan an orderly vacation which will reduce this balance by December 31.

(l) The City Manager may, in instances where the needs of the City require, authorize compensation in lieu of time off for accrued vacation.

(m) A person about to terminate his employment with the City for any reason and who has taken his vacation in advance of time accumulated in accordance with the provisions of this Section, shall reimburse the City for the additional amount of vacation taken in excess of the time accumulated. Said reimbursement shall be as of the effective date of termination of employment.

(n) An officer or employee being paid because of an injury on the job will accumulate vacation time, and an officer or employee being paid because of Labor Code Section 4850, after the first six (6) months, will concurrently use first his sick leave and next his vacation time.

(o) No interruption in the accumulation of vacation time shall result when an employee or officer takes sick leave, vacation, Temporary Military Leave, or paid leave because of an on-the-job incurred illness or injury.

1-413. Sick Leave With Pay.

Each full-time officer and employee shall earn eight (8) hours of Sick Leave with pay for each calendar month or major fraction thereof served. Such Sick Leave with pay can be granted only upon the approval of the Department Head in case of bonafide illness of an employee, or upon the death of a spouse, brother, sister, father, mother or child. Said Sick Leave shall not be granted for pregnancy, except for illness or conditions related to pregnancy which are insured by the City's Health Insurance Plan. Evidence may be required in the form of a physician's certificate or otherwise in determining the adequacy of the reasons for any employee's absence during the time for which Sick Leave is requested.

For officers and employees working a five (5) day schedule, Sick Leave shall be charged on an hour-for-hour basis.

For officers and employees working shifts in the Fire Department, Sick Leave shall be charged on an hour-for-hour basis, with a maximum of sixteen (16) hours charged for an entire shift.

Whenever any City officer or employee, other than a City officer or employee covered under Section 4850 of the California Labor Code, is disabled by injury or illness arising out of and in the course of his duties, he shall become entitled to a leave of absence without loss of salary for a period of not to exceed six (6) months. Any City official or employee on leave of absence under the provisions of Labor Code Section 4850 will not accumulate Sick Leave except for the first month of such leave due to any one (1) on-the-job illness or injury.

During the time such officer or employee is drawing full salary under such leave of absence, Sick Leave, or vacation time, he must endorse any Workman's Compensation checks covering such periods to the City of Seaside and may not accumulate Sick Leave after the first month of any one (1) such illness, accident or injury.

After one (1) year of employment, one-half (1/2) of sick leave earned in any month (4 hours) during which the employee was not sick, may be credited as follows:

(a) Sick leave for use only.

(b) Vacation to be included within the maximum accumulation provided for in the municipal code.

(c) Sick leave to be accumulated to a maximum of 480 hours for cash payment at any kind of termination from City employment.

Sick leave converted to vacation in accordance with subparagraph (b) above may not be converted back to sick leave for use. Sick leave accumulated for payment at termination in accordance with subparagraph (c) above may be converted back to sick leave for use, but once converted back may not be reconverted for termination payment. Sick leave accumulated prior to July 1, 1967 will be available for use only.

1-414. Bereavement Leave.

Bereavement leave, to a maximum of three (3) working days, will be permitted, without charging such leave against sick leave, upon the death of a member of the employee's immediate family. Immediate family is defined as parent, child, spouse, brother or sister.

1-415. Overtime.

(a) If, in the judgement of the Department Head, work immediately before or immediately after the established work day is required, he shall authorize it, and report such authorization to the City Manager at the earliest opportunity.

(b) When an employee is called back to work on an emergency basis, a sworn employee of the Police Department is called to court, or a Police Matron is called back to work, the actual time worked, with a minimum of two (2) hours, shall be earned.

(c) Clerical employees assigned to take minutes at night meetings shall earn two (2) hours overtime in addition to the time actually spent at such activity.

(d) All overtime shall be earned in increments of one-half (1/2) hour, and may be compensated for in equivalent time off or in cash at the employees established rate of pay at the discretion of the Department Head.

(e) Fire Department personnel assigned to shifts shall be compensated for overtime in the following manner:

(1) When called back to work a shift because of the absence of a person regularly assigned to that shift, the pay shall be computed by dividing the employee's annual salary by the average number of shifts per year (122). This figure shall be pro rated for any portion of such shift.

(2) When called back to work on an emergency basis, a minimum of two (2) hours shall be paid, computed on the basis of a forty (40) hour week.

(3) When called back to work on an emergency basis, the first six (6) consecutive hours of such call-back shall be paid using the same computation plan as in subparagraph (b) above. Each consecutive hour worked after six (6) shall be compensated as in subparagraph (a) above.

1-416. Standby.

An employee assigned to standby duty for purposes of being available for emergencies related to storm drain or sewage stoppages, shall be compensated for thirteen (13) hours overtime at his established rate of pay for each week of such assignment. Such employee actually called out to respond to stoppages shall be compensated for overtime on the same basis as in Section 13 above.

1-417. Holidays.

(a) All officers and employees shall be entitled to the following Holidays:

First day of January (New Year's Day)
Twelfth day of February (Lincoln's Birthday)
Third Monday in February (President's Day)
Last Monday in May (Memorial Day)
Fourth day of July (Independence Day)
First Monday in September (Labor Day)
Ninth day of September (Admission Day)
Eleventh day of November (Veterans Day)
Fourth Thursday of November (Thanksgiving Day)
Day following Thanksgiving Day
Working day immediately preceding Christmas
Twenty-fifth day of December (Christmas Day)
Every day appointed by the Governor of the State, the President of the United States, or the City Council as a memorial, public fast, thanksgiving or holiday.

It is the intent of this Ordinance that all regular City employees shall observe the twelve (12) Holidays set forth above.

Good Friday: No employee shall be required to be on duty on Good Friday between the hours of 12:00 noon and 3:00 p.m. unless, in the opinion of the Department Head, the employee's services are needed and required in the interest of the public health, safety or general welfare or for reasons of emergency, and if so needed, the employee shall not be entitled to compensatory pay or time off.

(b) When a Holiday falls on a Sunday, the following Monday shall be observed. When a Holiday falls on an officer's or employee's regularly scheduled time off, compensatory time off shall be given. If it is the determination of the Department Head, approved by the City Manager, that such compensatory time off cannot be given without disrupting essential public services, then the employee will receive paid compensation.

(c) Any employee who may be required to work on a Holiday shall be given compensatory time off for such work. If it is the determination of the Department Head, approved by the City Manager, that such compensatory time off would disrupt essential public services, then the employee will receive paid compensation.

(d) Fire Department personnel assigned to shifts will be compensated for Holidays by paying for eight (8) hours, computed upon a forty (40) hour week.

1-418. Grievance Procedure.

A grievance shall be considered as any matter for which appeal is not provided for, or prohibited, in this Ordinance concerning:

1. A dispute about the interpretation or application of any ordinance, rule or regulation governing personnel practices or working conditions.
2. A dispute about the practical consequences of a City decision on wages, hours and other terms and conditions of employment.
3. A decision affecting the employment of any permanent or probationary employee over which the City Manager has partial or complete jurisdiction.

(a) INFORMAL GRIEVANCE PROCEDURE: An employee who has a problem or complaint should first try to get it settled through discussion with his immediate supervisor without undue delay. If, after this discussion, he does not believe the problem has been satisfactorily resolved, he shall have the right to discuss it with his supervisor's immediate superior, if any, in the administrative service. Every effort should be made to find an acceptable solution by informal means at the lowest possible level of supervision. If the employee is not in agreement with the decision reached by discussion, he shall then have the right to file a formal grievance in writing within ten (10) calendar days after receiving the informal decision of his immediate superior. An informal grievance shall not be taken above the City Manager.

(b) FORMAL GRIEVANCE PROCEDURE:

1. First Level of Review: A grievance shall be presented in writing to the employee's immediate supervisor, who shall render his decision and comments in writing and return them to the employee within ten (10) calendar days after receiving the grievance. If the employee does not agree with his supervisor's decision, or if no answer has been received within ten (10) days, the employee may present the appeal in writing to his supervisor's immediate superior. Failure of the employee to take further action within ten (10) calendar days after receipt of the written decision of his supervisor, or within a total of twenty (20) calendar days if no decision is rendered, will constitute a withdrawal of the grievance.
2. Further Level or Levels of Review as Appropriate: The supervisor receiving the grievance shall review it, render his decision and comments in writing, and return them to the employee within ten (10) calendar days after receiving the appeal. If the employee does not agree with the decision, or if no answer has been received within ten (10) days, he may present the appeal in writing to the Department Head. Failure of the employee to take further action within ten (10) days if no decision is rendered, will constitute a withdrawal of the grievance
3. Department Review: The Department Head receiving the grievance, or his designated representative, should discuss the grievance with the employee, his representative, if any, and with other appropriate persons. The Department Head shall render his decision and comments in writing, and return them to the employee within ten (10) calendar days after receiving the appeal. If the employee does not agree with the decision reached, or if no answer has been received within ten (10) calendar days, he may present the appeal in writing to the City Manager. Failure of the employee to take further action within ten (10) days after receipt of the decision, or within a total of twenty (20) days if no decision is rendered, will constitute withdrawal of the grievance.
4. City Manager: The City Manager or his designated representative should discuss the grievance with the employee, his representative, if any, and with other appropriate persons. The City Manager may designate a fact-finding committee, or an officer not in the normal line of supervision, to advise him concerning the appeal. The appointing power shall render a decision in writing to the employee within twenty (20) days after receiving the grievance.

(c) CONDUCT OF GRIEVANCE PROCEDURE:

1. The time limits specified above may be extended to a definite date by mutual agreement of the employee and the reviewer concerned.
2. The employee may request the assistance of another person of his own choosing in preparing and presenting his appeal at any level of review.
3. The employee and his representative may be privileged to use a reasonable amount of work time as determined by the appropriate Department Head in conferring about and presenting the appeal.
4. EMPLOYEES SHALL BE ASSURED FREEDOM FROM REPRISAL FOR USING THE GRIEVANCE PROCEDURES.

1-419. Dismissal.

(a) The City Manager upon recommendation of a Department Head, may dismiss any of his appointees for any of the following reasons:

1. Incompetency or physical incapacity to properly discharge the duties of his office.
2. Insubordination to a superior officer in the course of his municipal employment.
3. Willful neglect of official duty.
4. Willful failure or refusal to properly perform the same.
5. Gross carelessness in the discharge thereof.
6. Notorious misconduct of a disgraceful or scandalous nature.
7. Habitual intemperance.
8. Malfeasance in office.
9. Insanity
10. Conviction of a felony.
11. One or more days of unexcused absence.
12. Repeated tardiness.
13. Violation of rules and regulations regularly adopted by such officer's or employee's Department Head and approved by the City Manager.
14. Inability to establish proper working relationships with fellow officers or employees.
15. Consumption of intoxicating liquor or use of narcotics during the working day or reporting to work under the influence of intoxicating liquor or narcotics.
16. Gambling for money or articles of value during the working day.
17. Absence from the job during the working day without the permission of such officer's or

Continued on Page 9

Continued from page 8

employee's Department Head.

18. Use of City tools or equipment for private or personal purposes.
19. Abuse or gross negligence in the care or operation of City tools or equipment.
20. Obtaining sick leave falsely.
21. Conduct unbecoming a City officer or employee.
22. Immoral conduct while on duty.
23. Receiving bribes in money or other valuable articles or receiving any personal favor for the performance of a City service.
24. Taking an active part in receiving or contributing money toward the nomination or election of any elective candidate for a City of Seaside municipal office.
25. Discussion of confidential City business or information with unauthorized persons.
26. Refusal to report to an official call in an emergency.
27. Continued and persistent refusal to pay just debts.
28. Misrepresentation of information furnished on application form.

(b) The procedure therefor shall be as follows:

1. Written notice of dismissal and the reasons therefor shall be personally served on the employee or mailed to him at the last available address furnished to the City of Seaside by said employee.
2. Such employee may, within five (5) days after such service or within five (5) days after such mailing, request in writing a City Council hearing on such dismissal either in public or in executive session.
3. The City Manager shall set the time and place for a hearing on such dismissal, which will normally be held at the next Council meeting.
4. Such officer or employee shall be personally served with notice of the time and place of such hearing or such notice may be mailed to him at the last available address furnished to the City of Seaside by said officer or employee.
5. The decision of the City Council given after the conclusion of such informal public hearing shall be final and conclusive."

SECTION 2. Separability.

If any Section, Subsection, paragraph, sentence, clause or phrase of this Ordinance is for any reason held to be invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the validity or constitutionality of the remaining portions of this Ordinance, it being hereby expressly declared that this Ordinance and each Section, Subsection, paragraph, sentence, clause and phrase thereof would have been adopted irrespective of the fact that any one or more other Sections, Subsections, paragraphs, sentences, clauses, or phrases be declared invalid or unconstitutional.

SECTION 3. Repeals.

Sections 1-401, 1-402, 1-406, 1-407, 1-408, 1-409, 1-410, 1-411, 1-412, 1-413, 1-414, and 1-415 of the Seaside Municipal Code are herewith repealed.

INTRODUCED this 18th day of April, 1974.

PASSED AND ADOPTED at a regular meeting of the City Council of the City of Seaside duly held on the 2nd day of May, 1974, by the following vote:

AYES, Councilmen: Ross, Olea, Cota, Lawson and Mayor Dolan
NOES, Councilmen: None
ABSENT, Councilmen: None

DUDLEY N. LAPHAM
CITY CLERK

Labor Endorses Murphy

Assemblyman Frank Murphy, Jr. (R-Santa Cruz) has won the endorsement of the Califoria Labor Federation, AFL-CIO, and the California Teamsters Legislative Council in his bid for re-election to the State Assembly from the 28th District this year.

Murphy has also received the endorsement of the United Transportation Union.

More than 770 delegates to the California Labor Council on Political Education (COPE) Convention approved the endorsement of Murphy this month in San Francisco.

Murphy said he is "honored to have received labor's endorsement" and that he is "proud of his record in the Assembly on legislation affecting organized labor in California".

Earlier this year, Murphy received the endorsement of the Peace Officers Research Association of California (PORAC) for his "staunch support of law enforcement legislation". PORAC represents 16,500 peace officers throughout California and is primarily concerned with working conditions and salaries for peace officers.

'Rags To Riches' Show At Fort Ord

The Ft. Ord Arts and Crafts Center will host a Contemporary Fiber Show, "Rags to Riches", thru May 16.

The show is invitational and many prominent Northern California Fiber craftsmen have been asked to participate. The show promises to be unique and exciting, and will be a fine display of contemporary uses of fiber. This show is a first for the Ft. Ord Arts and Crafts Center and will hopefully become an annual event for the Monterey Peninsula.

Candace Crockett, weaver and instructor at California State University at San Jose, will be the judge for the show. Awards will be given to winning entries in each of five catagories: accessories, sculptured forms, fabric, garments and wall hangings. A $145.00 purchase award will be given by the Arts and Crafts Center.

A "Rags to Riches" fashion show featuring accessories and garments from the exhibited items, and leather and re-cycled fashions will be held on April 21 at 2 p.m. in Creation Center No. 1, Ft. Ord.

THE Arts and Crafts Center is located between 2nd and 3rd Aveneues off of 8th St. Gallery hours are 2 p.m. to 9:30 p.m. Wednesday thru Friday, 10 a.m. to 5 p.m. on Saturday and 1 p.m. to 5 p.m. Sunday.

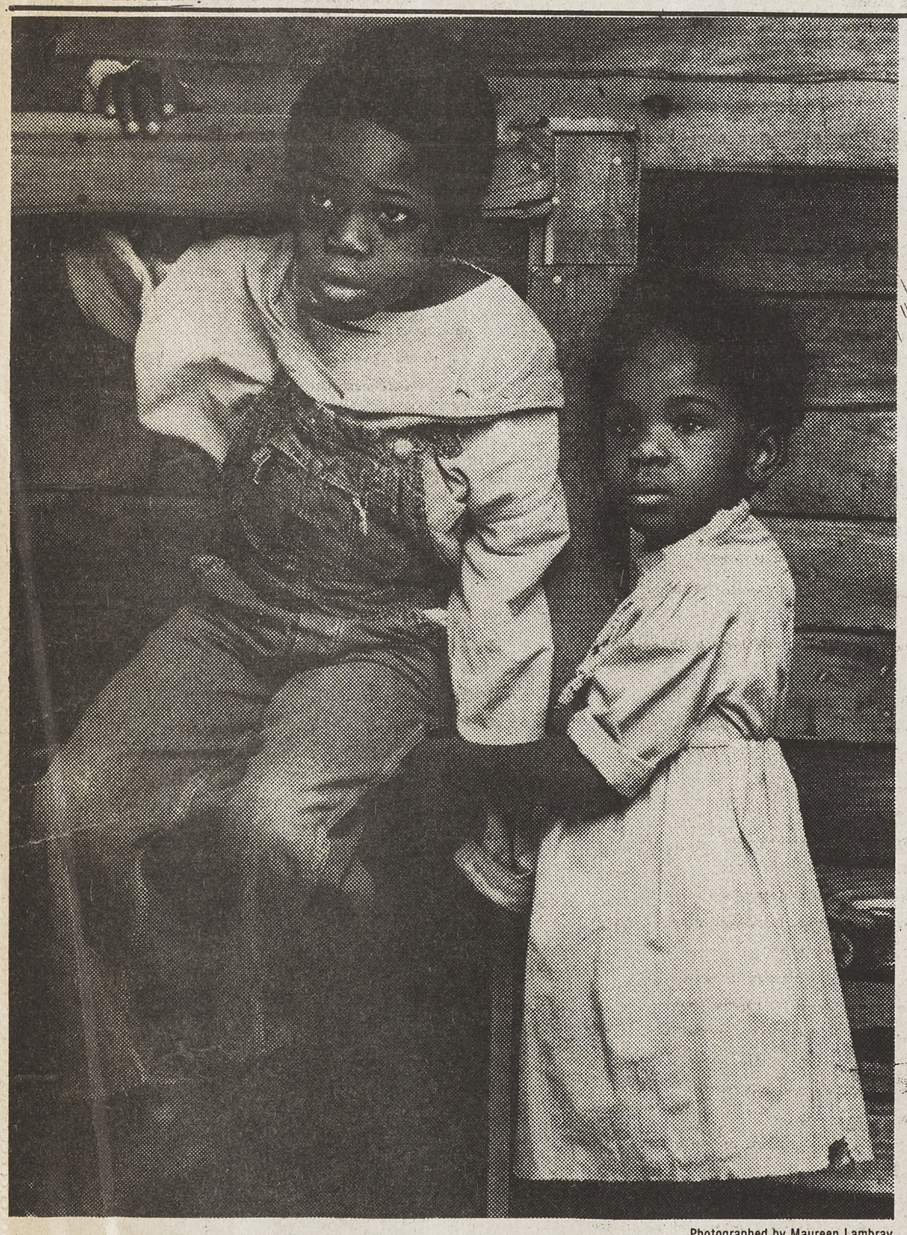
For more information please call the Arts and Crafts Center, 242-3584.

Two Get Scholarships

"Two outstanding students from our rea, Larry Mercier of Salinas and Jonathan Shaw of Monterey have been selected by the Department of the Army to receive four year ROTC college scholarships," reported Congressman Burt L. Talcott (12th District, California) recently, from Washington.

Each scholarship pays for tuition, textbooks, educational fees, and provides a subsistence allowance of $100 per month for up to ten months each school year. Selection of four-year scholarship recipients was based on academic excellence, results of college entrance exam boards, extracurricular and athletic activities, and evaluation of leadership potential.

"I urge all high school students who will be seniors in school year 1974-75 and desire to compete for a four-year scholarship to write to ARMY ROTC SCHOLARSHIP, P.O. BOX 12703, PHILADELPHIA, PA. 19134, between July 1 - December 1, 1974 for information.



In 41 Black colleges today there are thousands of dedicated students who want an education. Some of them may never get it. Their schools are in desperate need of money. Your contributions can help these schools. It's important.

A mind is a terrible thing to waste.

Give to the United Negro College Fund.
